Proper Picture Frames

If all frames were alike it would not matter where you had them made. But they are not all alike. There is as much difference as there is in the people that order them.

Our frames are not only low in price but they are artistic in make-up and give proper effect to the picture.

It wouldn't be a bad idea to give us a chance to show you how "different" ours are from the other fellows.

JURY TO TRY S. MAHAULU

Some Important Decisions Filed—Other Court Items.

The following jury was empaneled and sworn about 4:15 yesterday afternoon for the trial of Stephen Mahaulu on indictment for embezzlement of public money while he was chief clerk of the Land office: C. J. Ludwigsen, J. J. Dias, J. F. Soper, F. H. Armstrong, C. P. Dwyer, G. D. Mahone, H. A. Parmelee, F. J. Dutra, Jessin Andrade, C. F. Merrifield, H. P. Roth and E. J. Stone.

It took but an hour and three-quarters to obtain the jury. The prosecution had excused J. A. Lawelawe and H. P. Kaohi, and the defense W. A. Fletcher, C. J. Fishel and E. Benner, besides which two or three jurors were excused for cause.

The trial will begin at 10 o'clock this morning. Deputy Attorney General M. F. Prosser represents the Territory, and Frank E. Thompson the defendant.

AN ACQUITTAL.

Aroki was tried and found not guilty of assault with a deadly weapon, by the following jury before Judge Gear yesterday: W. L. Fletcher, J. H. Craig, H. P. Dwyer, E. J. Stone, H. P. Kaohi, C. J. Ludwigsen, E. Benner, Harry Carl, F. J. Dutra, J. A. Lawelawe, F. H. Armstrong and C. F. Merrifield. M. F. Prosser for the Territory; F. E. Thompson for the defendant.

BIERCE SHUT OUT.

By unanimous decision of the Supreme Court, Justice Hartwell being the author, the writ of error to the Third Circuit Court is dismissed in the case of William W. Bierce, Ltd., vs. M. W. McChesney & Sons, Kona Sugar Co., Ltd., F. L. Dorch, receiver; First American Savings & Trust Co. of Hawaii, Ltd.; Kapiolani Estate, Ltd.; L. M. Whitehouse, J. D. Paris, Hannah J. Paris, Eliza Roy, W. H. Shipman, J. D. Johnson, W. H. Johnson and Caroline J. Robinson.

The plaintiff in error, the Bierce corporation, was an intervenor in the suit, claiming certain steel rails, locomotives and other railroad property in the possession of the receiver, and assigned as error that the order of sale did not except the property so claimed. The law findings of the decision are as follows:

"A writ of error lies to an order of sale by a receiver and does not require that the purchaser be made a party.

"Only questions of jurisdiction and matters subsequent to the order of sale are considered on an appeal from an order confirming a receiver's sale.

"There is no error in an order of sale failing to except property in receiver's hands claimed by the plaintiff in error in an intervenor's suit."

Kinney McClanahan & Cooper and C. A. Galbraith for plaintiff in error;

THE BRIGHT SIDE

of life. It is a feeling common to the majority of us that we do not get quite the amount of happiness we are entitled to. Among the countless things which tend to make us more or less miserable ill health takes first place. Hannah More said that sin was generally to be attributed to biliousness. No doubt a crippled liver with the resulting impure blood, is the cause of more mental gloom than any other single thing. And who can reckon up the fearful aggregate of pain, loss and fear arising from the many diseases which are familiar to mankind; like a vast cloud it hangs over a multitude no one can number. You can see these people everywhere. For them life can scarcely be said to have any "bright side" at all. Hence the eagerness with which they search for relief and cure. Remedies like

WAMPOLE'S PREPARATION have not attained their high position in the confidence of the people by bald assertions and boasting advertisements. They are obliged to win it by doing actually what is claimed for them. That this remedy deserves its reputation is conceded. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites, Extracts of Malt and Wild Cherry. Nothing has such a record of success in Scrofula, Influenza, Throat and Lung Troubles, and emaciating complaints and disorders that tend to undermine the foundations of strength and vigour. Its use helps to show life's brighter side. Professor Reddy, of Canada, says: "I have much pleasure in stating that I have used it in cases of debility and found it to be a very valuable remedy as well as pleasing to take." You cannot be disappointed in it. Sold by chemists,

Cathcart & Milverton for defendants in error.

MRS. KAAE GAINS POINT.

The Supreme Court, by the clerk, reverses the decree of Judge Robinson in the matter of the estate of Margaret V. Carter, deceased, and remands the case to him for further proceedings. It is held that a demurrer lies to petition for removal of executrix. Judge Robinson had ordered the demurrer of Mrs. Kaae, executrix, stricken from the files and the executrix removed on allegations of petition without further hearing, there being no answer. L. Andrews for petitioner; C. W. Ashford for executrix.

NONSUIT SUSTAINED.

Exceptions were overruled by the Supreme Court, Justice Hartwell writing the opinion, in the cases of Samuel Andrews vs. Wahinehul and vs. Kalkena. The decision sustains the First Circuit Court in ordering a nonsuit on the ground that the plaintiffs' case showed that he had conveyed the land to a third person after the action was entered. Castle & Withington for plaintiff; no appearance for either defendant.

PACIFIC HEIGHTS RAILWAY.
Judge Robinson rendered a decision on the bill for foreclosure of trust deed brought by W. O. Smith, trustee, against the Pacific Heights Electric Railway Co., Ltd., August Dreier, Honolulu Rapid Transit & Land Co., Ltd., Sister Albertina and Charles S. Desky. The so-called adjunctive railway between the power house and Nuuanu street is found to be not included in the deed of trust. Both the cable connecting the original railway with the present Rapid Transit system and the steam condenser sold by C. S. Desky to August Dreier are held subject to the trust deed lien.

The petitioner is held to be entitled to the judgment and decree of the court prayed for by him as to all that portion of the Pacific Heights electric railway included in the trust deed, being all of the property included in the bill of complaint except the equipments and right of way of the adjunctive line, but it is ordered that the cable and steam condenser in dispute be sold only in the event that the sum realized from the sale of the remaining property be insufficient to pay and discharge the claim of petitioner. The cable in question was bought by the Rapid Transit Co.

OBJECTION TO DEAD MAN.

A demurrer to the bill of revivor in equity of Samuel C. Allen vs. Thomas R. Lucas and Lydia C. Lucas has been filed. Its first ground is that the executors of the will of Samuel C. Allen, deceased, are necessary parties to the bill "inasmuch as it is therein stated that Samuel C. Allen is dead, but the said complainant and counsel who filed said bill hath not made them parties to said bill." Other grounds are that a decree is not prayed for in accordance with the prayer of the original bill; that the prayer for relief is ambiguous, uncertain and without request for equitable aid; and that the Circuit Court of the First Judicial Circuit has no jurisdiction to hear and determine the suit. Geo. A. Davis and E. M. Watson are attorneys for defendants.

LOW'S AUTHORITY ATTACKED.

J. J. Dunne will move tomorrow before Judge Gear that the "motion of Elizabeth J. Knight that the authority of J. S. Low as pretended next friend of her minor daughter Annie T. K. Parker to conduct suit for removal of A. W. Carter as guardian of the estate of said minor be rescinded and that said suit be dismissed," be set for hearing and heard and determined forthwith.

AVERY WINS OUT.

In the assumpsit suit of J. D. Avery vs. C. H. Pfeiffer, a decision has been rendered by Judge Robinson, finding judgment for the plaintiff in the sum of \$100 on account of rent, together with 6 per cent. interest from Sept. 1, 1902, attorney's fees and costs of court.

COURT NOTES.

A. Lewis Jr., administrator with the will annexed of the estate of Frank Bond Auerbach, deceased, has filed his final account with a petition for discharge. He charges himself with \$809.48 and asks to be allowed \$45.40, leaving a balance of \$764.08.

The appeal of defendant in the suit of George A. Davis vs. William A. Hall, from judgment for plaintiff for \$161.09 in the Honolulu District Court, has been stricken from the calendar by Judge Robinson.

D. Naoiwi petitions for letters of administration to himself on the estate of his deceased wife, Nahinu Naoiwi, which is valued at \$1000.

Judge Dole discharged C. R. Hemenway as trustee in bankruptcy of M. G. Silva.

PACIFIC CLUB NOT RUN AS SALOON

A delegation of attorneys representing the Pacific Club waited on Governor Carter last Saturday afternoon with a view to representation of the position of that organization in the matter of paying liquor license.

The delegation, consisting of United States District Attorney Breckons, Judge Whiting, Arthur Wilder and Judge Stanley, was heard by the Governor and the matter was passed up to Attorney-General Andrews for decision. "Our position," said Mr. Breckons, "is that the Pacific Club is not a place where liquor is sold, within the meaning of the law. The selling of liquor in the club, in fact, the Pacific is an old established, bona fide club, not to be confounded with places where a man can go in, buy a card and at once become a member able to purchase drinks."

There was another session of the grand jury yesterday afternoon. Detective Hatter was in attendance and some saloon keepers were also present. A surmise is that the inquiry was into possible sales of liquor on election day contrary to the statute in that case provided.

BAD COMPANY

Not a Home in Honolulu Where This Visitor is Welcome.

The most unwelcome visitor in Honolulu. Is any itching skin disease. Itching piles is known in nearly every household.

Doan's Ointment cures piles and all itching of the skin. A Victoria, Australia man endorses our claims.

Mr. William Preston has been a resident of Victoria for over half a century and therefore will be known to many of our readers. Mr. Preston is at present residing at No. 63 Argyle St., St. Kilda. He says: "For some considerable time I have been troubled with Eczema on my legs. The irritation at times was very great especially at night, and it caused me considerable annoyance. I obtained a pot of Doan's Ointment and I must say that it allayed the irritation almost immediately. Doan's Ointment is a good remedy and I can highly recommend it for Eczema."

Doan's Ointment is splendid in all diseases of the skin, eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective. Doan's Ointment is sold by all chemists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Agents for the Hawaiian Islands.

An Enjoyable Outing.

The most attractive day's outing is that afforded by the excursion down the railroad line. The HALEIWA LIMITED, a first-class train, leaves Honolulu every Sunday morning at 8:22 o'clock making the run in two hours, the rate for round trip being only \$2.00. From 10:22 a. m. until 8:10 p. m. is spent at the beautiful HOTEL HALEIWA, with fresh and salt water bathing, tennis, golf drives and walks, shooting or fishing and you are back in town at 10:10 o'clock in the evening.

TWO KINDS OF CHILDREN

Children that grow too fast and those that seem hardly to grow at all, both need Scott's Emulsion.

It gives that rich vital nourishment which is the secret of all healthy growth. It rounds out the long limbs, and helps children to grow without using up all their strength in growing.

Mothers ought to know more about the wonderful help which Scott's Emulsion would give their children.

There is no secret about Scott's Emulsion. Nothing is covered up by obscure references to "active principles" or "alkaloids."

Scott's Emulsion is simply an emulsion of the best Norwegian cod liver oil combined with the hypophosphites and glycerin.

We'll send you a sample free upon request. SCOTT & BOWNE, 409 Pearl Street, New York.
